

## TETON COUNTY LIBRARY

Welcome to Jackson Hole!

The library has so much to offer our community and we want to make it as easy as possible for you to access our resources, which include:

- Books, books and more books!,
- DVDs,
- music CDs,
- audiobooks,
- digital content (eBooks, eAudiobooks, magazines, movies and music),
- computer center with internet access, printing, copying, scanning and faxing,
- databases, including Lynda.com which gives access to thousands of instructional classes and videos,
- and, most importantly, knowledgeable staff to help you navigate all of this!

We know that you may not live or work in town and may find it difficult to make it to the library as often as you like. We also want to make sure that you have everything you need to sign up for a library card. With that in mind, we have put together this packet to make getting a card easy and convenient. Everything you need to know can be found right here but if you have any questions, please feel free to call us at 307-733-2164 or e-mail [info@tclib.org](mailto:info@tclib.org).

We hope that you enjoy your time here in Jackson Hole and we want you to know that your library is here for you!

Sincerely,

Teton County Library Staff
